APIW/New York Chapter CPCU Annual Joint Luncheon

Wednesday, January 11, 2017

**Keynote Speaker: Seraina (Maag) Macia
Chief Executive Officer
Hamilton USA**

2016 is a year when the insurance industry embraced a collective epiphany regarding data analytics and technology: data is the new currency. Companies with the most information and the ability to use it to make better decisions will stand out from the competition.

We're delighted to have Ms. Macia as our keynote speaker at the APIW and NY Chapter of CPCU luncheon. Ms. Macia has been charged with building out an insurance platform using cutting edge data science. Ms. Macia will discuss how advancements in technology support innovative new products and processes for insurers and she will provide leadership insights from her career path.

With over 25 years in the insurance and reinsurance industry, Ms. Macia's career includes executive positions at AIG where, most recently, she was CEO and Executive Vice President of Regional Management & Operations and was a member of AIG's Executive Leadership Team. Prior to that, Ms. Macia was CEO and President of AIG EMEA with responsibility for 47 countries across Europe, Middle East and Africa.

Ms. Macia's increasingly senior roles in the industry have included CEO of XL Insurance North America, President of Zurich North America Commercial Specialties business, and Head of Investor Relations and Rating Agency Management of Zurich Insurance Group. Ms. Macia was also a founding partner and financial analyst for NZB NeueZuercher Bank in Switzerland. Between 1990 and 2000, she held various management positions within underwriting and finance at Swiss Re in Switzerland and Australia.
